

GARISSA CLEFT CAMP

5 – 8/03/2019

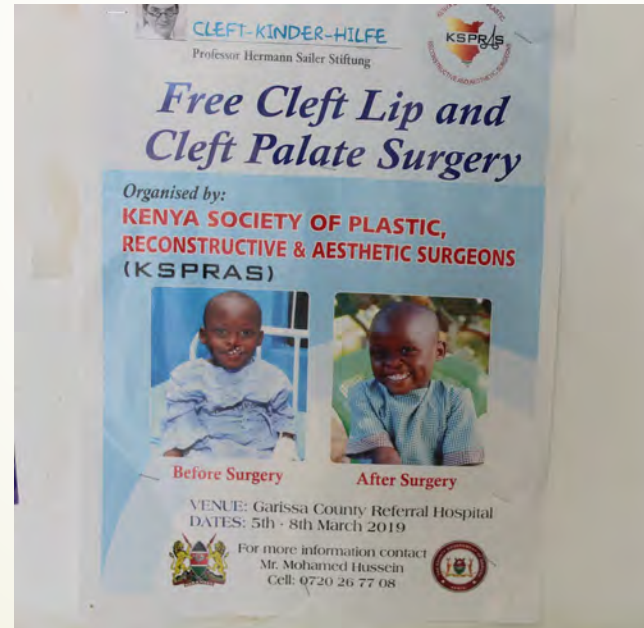

- 
- 
- ▶ Organized by The Kenya Society of Plastic, Reconstructive and Aesthetic Surgeons (KSPRAS), The Garissa Cleft Camp was a major success!
 - ▶ Funded by Cleft-Kinder-Hilfe Professor Hermann Sailer Foundation from Germany
 - ▶ Running from the 5th of March 2019 to the 8th of March 2019 at the Garissa Level V Hospital, a total of 29 patients were operated on.
 - ▶ 6 cleft Palates and 23 cleft lips were repaired, among them a family of three: father, son and daughter who all had cleft lips repaired.
 - ▶ The camp ran smoothly with co-operation, order and communication from all members of the KSPRAS team as well as the Garissa Level V administration and staff.

DAY 1: 5/03/2019

Day 1: Arrival

We arrived in Garissa Level V Hospital at 3:30pm and acquainted ourselves with the administration.

Day 1: Screening

Majority of the patients with their families had already arrived.

- Doctors and Anaesthetists screened the patients, took history and performed physical examinations. Theatre lists prepared for the next day.

DAY 2: 06/03/2019

Day 2: Procedures

- ▶ A total of 15 cleft lips and 4 cleft palates were successfully repaired with back to back surgeries in two adjacent theatres.
